Recommendation letter:

Carlos Sánchez Gutiérrez, as Internship Tutor and Head of Web Development Projects, at MR Informática S.L., I highly recommend *Guillermo Hoyo Bravo* with a degree in Computer Engineering at the Universidad Autónoma of Madrid, Spain, as a teacher in the preparation of a Drupal Programming course, since he has transmitted his knowledge to all students, in an exemplary way during the 3 months the collaboration lasted.

In addition, *Guillermo* has always shown great involvement, seriousness, professionalism and interest in the students, solving the difficulties that appeared during the practices.

I look forward to requesting additional information on this recommendation.

Sincerely,

Carlos Sanchez
